

## EMPLOYMENT

---

<b>Senior Software Developer / Team lead</b>	<b>BizTech Platforms</b>	<b>10/2015 – 04/2020</b>
--	--------------------------	--------------------------

- Directed coordinated efforts as Mobile Team Lead for building a native mobile application, commission by a major US telecom company, aimed at offering easily accessible technical support to individuals and/or businesses.
- Orchestrated and monitored a project involving Home Services Business Listing, similar in scope to Angie's List but with greater complexity and higher user-friendliness; spearheaded the implementation of Web and iOS native mobile applications using Swift/Objective-C, intended to serve both homeowners/clients and the contractors.
- Developed a desktop application for easing the business process of a client, reducing time by more than 85%.

<b>Software Developer / Team Lead</b>	<b>OSF-Global Services</b>	<b>07/2007 – 10/2015</b>
---------------------------------------	----------------------------	--------------------------

- Spearheaded the conceptualization, development, and delivering several web and mobile applications projects, in addition to acting as team lead on two projects.
- Single-handedly developed the mobile application version for a website, prior to leading a team for delivering a polished final product to the client on schedule and within budget.
- Directed the design, development, testing, and maintenance development of a client's website and its mobile application version from scratch; established the main site architecture using ASP.NET MVC, C#, and SQL Server.
- Liaised with stakeholders and defined technical project requirements for the development team.

## EDUCATION

---

<b>Suceava, Romania</b>	<b>University of Suceava</b>	<b>10/2003 – 04/2009</b>
